

Charity Sky Dive

On the 11th September, I will be leaping out of an aircraft at 12,000 feet to help raise funds for our nominated charity – ‘The **Pied Piper** Appeal.’ We at SFC Group, believe passionately in helping these children and have recently visited the wonderful new Children’s Centre to see what this small, local charity have achieved. (Click on the logo to view their website)

Now it's my turn

Will you sponsor my tandem Skydive for ‘The **Pied Piper** Appeal?’

Will you please help us to raise some desperately needed money to buy child friendly examination equipment for the sick children of Gloucestershire?

The charity was started in 1992 to improve the lives of sick children in Gloucestershire.

Supporters have raised over **£2 million** to date. The funds have been used to build the new Children’s Centre at Gloucestershire Royal hospital, to purchase new equipment for local hospitals & to make life at home easier for individual children. But the work cannot stop here

Please help us to build a better future for children in sickness and pain across the county.
